

Lorin Urbantat

Computer Science Student @ ETH Zurich · Software Engineer @ ETH-CES

✉ lorin.urbantat@gmail.com [in](#) LinkedIn [GH](#) GitHub

Education

ETH Zurich, MSc Computer Science	
Major: Data Management Systems, Minor: Machine Learning	2025 - present
ETH Zurich, BSc Computer Science	
Graduated August 2024 with 5.04 GPA	2020 - 2024
Waldorfschule Muelheim an der Ruhr, Abitur	
Grade 1.3 (best 1.0, worst 6.0)	2007 - 2020
Deutsche Schueler Akademie	
Summer school for gifted students	2019

Work Experience

Software Engineer @ ETH Chair of Education Systems	
CesBot RAG chatbot, chat UI (Next.js, Convex), PDF processing pipeline (OCR, image description), Analytics, user management, and auth	2024 - present
Software Engineer @ ETH Game Technology Center	
Morph Tales 2000+ users, game in Unity 3D, Analytics pipeline (Firebase, BigQuery, Looker Studio), GenAI in game characters	2023 - 2025
Coach @ mint & pepper	
Introduce children and young people to AI	2025
Calculus Exam-Preparation Course	
Exam preparation course with ~20 participants	2023
Calculus Teaching Assistant, ETH Zurich	
Exercise classes with 15 - 30 students	2023

Personal Projects

Flateroo	
1000+ users, flat sharing platform (React Native and React) with real-time chat, video streaming	2024 - 2025
Electomate	
AI powered voting advice for elections, RAG tool	2024
SCION Control Plane Test Environment	
SCION routing, IP gateway service, link properties (tc/netem), beacon metadata, and internet map UI for Docker-based network emulator	2024
TLDR	
Lecture summarizer using OpenAI Whisper and API to create searchable summaries	2023
Kubernetes Cluster	
Homelab with k3s on Proxmox, LXC, metallb, Traefik, cert-manager	2022
bruol.me	
Portfolio website built with Next.js and Tailwind CSS	2022

Skills & Interests

German (native), English (fluent), French (DEL F B1)	Languages
Advanced: C, C++, Typescript, React, Python, Java, Git, Linux, Docker, Kubernetes, Unity 3D, React-Native, Node, SQL, RAG, PCA	Technologies
Good: Ansible, LaTeX, x86 Assembly, Eigen, FPGA, Bash, Virtualization, BigQuery, Firebase, Google Looker Studio, Jenkins	
Communication, Time Management, Analytical Thinking, Problem Solving	Skills
Biking, Gym, Cooking, Dancing, Singing	Interests
